Student Handbook

702 E. 7th
Galena, Kansas 66739
Telephone (620) 783-4499 Ext. 1300 and 1400

Welcome

Our school is a cooperative enterprise on the part of all students, staff, parents, community members and administration. The staff at Galena Middle School and Galena High School values and rewards teaching, respects and supports individual differences among learners, and encourages the creation of learning environments in which students can learn and excel. We have established a tradition of academic excellence, and our goal is to make our school a model, which others strive to achieve. Staff is held accountable in seeing that each student is provided the opportunity to reach his or her full potential, but the responsibility for reaching this goal ultimately lies with the student. We hope your learning experience is a rewarding one.

Sincerely,
Toby VanCleave and Mike Strickland

USD 499 Mission Statement

The Galena School district will provide a dynamic learning experience in a safe environment by challenging our students to embrace excellence, character, hard work, and knowledge as tools to prepare them for life in the 21st century.

We believe:

- Providing a safe, supportive learning and work environment is critical to student success.
- The recruitment, retention and support of a highly qualified workforce is a priority.
- Schools should develop cooperative partnerships with parents, patrons, businesses, and organizations in the community to ensure students develop the necessary skills to become productive citizens.
- High expectations promote academic achievement.
- Creativity and imagination should be recognized, respected and nurtured.
- Integration of technology allows for further enhancement of creative and organizational skills that nurture the development of technology literate individuals.

Annual Notification Family Educational Rights and Privacy Act

Under the provisions of the Family Educational Rights and Privacy Act (FERPA) parents of students and eligible students (those who are 18 or older) are afforded various rights with regard to educational records that are kept and maintained by U.S.D. No. 499. In accordance with FERPA, you are required to be notified of those rights that include:

1. The right to review and inspect all of your educational records except those records that are specifically exempted.
2. The right to prevent disclosure of personally identifiable information contained in your educational records to other persons with certain limited exceptions. Disclosure of information from your educational records to the persons will occur only if:
 - a. We have your prior written consent for disclosure;
 - b. The information is considered directory information and you have not objected to the release of such information or;
 - c. Disclosure without consent if permitted by law.
3. The right to request that your educational records be amended if you believe that the records are misleading, inaccurate, or otherwise in violation of your rights. The right includes the right to request a hearing at which you may present evidence to show why the record should be changed if your request for an amendment to your records is denied in the first instance.
4. The right to file a complaint with the Family Policy and Regulations Office at the U.S. Department of Education if you believe that U.S.D. No. 499 has failed to comply with FERPA's requirements.
5. The right to obtain a copy of U.S.D. No. 499's policies for complying with FERPA. A copy may be obtained from: Galena Board of Education

For purposes of FERPA, U.S.D. No. 499 has designated certain information contained in educational records as directory information, which may be disclosed for any purpose without your consent. The following information is considered directory information name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous school attended by the students, class designation, major field of study and photographs.

You have a right to refuse to permit the designation of any or all of the above information as directory information. If you refuse, you must file written notification to this effect with U.S.D. No. 499 at Galena Board of Education, Galena, KS on or before the first school day. If a refusal is not filed, U.S.D. No. 499 assumes that there is no objection to the release of the directory information designated.

Teachers And Administrators Are Accountable

- For keeping accurate records.
- For making clear assignments.
- For notifying parents of unsatisfactory work.
- For recognizing individuality of students seeking their advice and counsel.
- For facilitating learning of all students.

Title IX Of The Education Amendments Of /E.R.

Title IX provides no person in the U.S. shall on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under the Educational Program or activity receiving financial assistance.

The school counselor has been designated by the school district to coordinate compliance of Title IX and to receive noncompliance complaints.

It shall be the policy of the school district to abide by the guidelines in reference to the following:

1. Participation in any class or activity will not be prohibited on the basis of sex.
2. The school district shall provide comparable courses or facilities where there are sex requirements for admission to the course activity, or facility.

Bullying Prevention Plan

BULLYING PREVENTION PLAN

1. Introduction

The Galena School District has developed a plan to prevent bullying. Bullying is dangerous and disrespectful behavior that will not be permitted or tolerated. Bullying may involve a range of misconduct that, based on the severity, will warrant a measured response of corrective action and/or discipline. Behaviors that do not rise to the level of bullying, as defined below, still may be subject to intervention and/or discipline under another section of the discipline plan or a discipline policy. Some bullying behaviors may require a report to local law enforcement.

2. Definition

1. **“Bullying”** means: (A) Any intentional gesture or any intentional written, verbal or physical act or threat that is sufficiently severe, persistent or pervasive that creates an intimidating, threatening, or abusive educational environment for a student or staff member that a reasonable person, under the circumstances, knows or should know will have the effect of:
 - i. Harming a student or staff member, whether physically or mentally;
 - ii. Damaging a student’s or staff member’s property;
 - iii. Placing a student or staff member in reasonable fear of harm to the student or staff member; or
 - iv. Placing a student or staff member in reasonable fear of damage to the student’s or staff member’s property

(B) any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to this section or subsection (e) of K.S.A. 72-8205, and amendments thereto.

- (2) “School vehicle” means any school bus, school van, other school vehicle and private vehicle used to transport students or staff members to and from school or any school-sponsored activity or event.

Discipline Plan

Galena Middle/High School, in order to provide quality education for all students, will not tolerate disruptive acts that would interfere with the tranquility of the school, the safety of its students, or the damaging of property. Students enrolled in Galena High School are accountable for their actions in any situation that, at any time of the day, reflects poorly on the mission of the school.

A disruptive or interfering act shall be defined as, but not limited to, inciting, encouraging, promoting or participating in activities which interfere with the due process of the educational program of the school. Administrative response to student misconduct is a matter directly influencing the morale of the entire student body. As such, all student misbehavior should be based on a careful assessment of the circumstances surrounding the infraction (i.e. the student’s attitude, the seriousness of the offense, and its potential effect on other students). Rules and consequences are established, not for the responsible majority, but for the

irresponsible few. The discipline code and behavior code are general statements of the rules of the school. The following list of unacceptable behaviors constitutes a more specific list of actions to be avoided by students.

OFFENSE DEFINITIONS AND EXPLANATIONS:

1. ASSAULT &/or BATTERY - Any mutual combat in which both parties have contributed to the conflict, either verbally or by physical action will result in disciplinary action.
2. TRUANCY - Absent from school without parent or legal guardian **and** school permission.
3. AUTOMOBILE MISUSE/CARELESS DRIVING - Students who drive must abide by the school parking regulations. Careless driving which would endanger persons or property on or about the school grounds will not be tolerated.
4. DEFIANCE/DISRESPECT OF AUTHORITY - Defiance and/or disrespect can be in many forms; the teacher and administrator will decide the severity of the offense. The refusal to comply with school personnel instructions will be classified as defiance. Disrespect will include any gesturing, actions, or speech interpreted as degrading or demeaning. Any physical aggression toward a school official will be grounds for long-term suspension or expulsion.
5. DRUGS, TOBACCO &/OR ALCOHOL - Students found carrying, using, providing or under the influence of drugs, tobacco and/or alcohol will be disciplined and may be grounds for long-term suspension or expulsion.
6. WEAPONS USE/POSSESSION - Possession of any object deemed dangerous to the school population is not permitted (knives, guns, fireworks, instruments of martial arts, etc.).
7. THREATENING/HARRASSMENT-Verbal or physical conduct, which interferes with an individual's performance or creates an intimidating, hostile, or offensive environment. This includes comments levied as a joke or in a kidding manner.
8. Senate Bill 38-Authorizes a one-year Driver's License revocation/suspension for students long-term suspended from school for possessing weapons or drugs, or for behavior that could cause serious injury to others. If a student's license has been suspended for other reasons, the year's revocation would be added to the first suspension.

The Galena School District reserves the right to punish behavior that endangers the welfare and/or safety of other students, faculty or staff, or causes substantial disruption to good order and discipline in the schools, even though such behavior is not specified in the written student discipline offenses or provided in the information contained in this handbook. As we progress through the year it will be necessary to add information and rules. Some will need changed and some may need to be deleted. These changes will be published in daily announcements, weekly and monthly written bulletins and published news articles. Students are required and their parent encouraged to read and discuss all correspondence published by the students, teachers.

ALL DISCIPLINARY ACTIONS MAY BE INCREASED OR DECREASED IN DIRECT RELATIONSHIP TO THE SEVERITY OF THE OFFENSE.

In-School Suspension (ISS) Referral Guidelines

***** If a student is assigned to ISS he/she may not participate or attend any after school activity, including practice for extracurricular activities unless approved by the administration. A list of those students in ISS will be given to each principal so he/she can notify coaches or sponsors of after school events. (Ex. ball games, school play, practices, open house, etc.)

Teachers will submit class assignments for each subject area for students to complete while in ISS. Assignments will be outcome based and relative to the student's abilities so they can work independently. This may not be the same material covered in the regular class, but credit will be given for work completed.

If circumstances warrant, additional curriculum related to anger management, conflict resolution, study skills, etc. may be assigned. Extra curriculum materials and resource books will be available within the ISS classroom.

Saturday Detention

Saturday Detention will meet every other Saturday as scheduled during the school year from 8:00 a.m. to 12:00 noon. Dates may be listed on the school calendar.

Saturday Detention Procedures:

1. Students will report to the Elementary Library (Mrs. LaTurner) at 7:55 a.m.
2. Saturday School will end at 12:00 Noon.
3. If students fail to come when assigned or are asked to leave they will be assigned three (2) days of OSS and reassignment of the Saturday school. If they miss two (2) consecutive Saturday schools they may be assigned an out of school suspension and reassignment of the Saturday school.
4. Students are responsible to bring study materials or reading suitable for school.
5. Students will be allowed two (2) restroom breaks (9:30 A.M and 11:00 A.M.)
6. No sleeping or lying on desk.
7. Drinks, gum, candy, or refreshments are not permitted.
8. Students assigned to Saturday Detention will furnish their own means of transportation. Parents or guardians will hold the responsibility for ensuring that transportation is made available.
9. Students late may be assigned an additional punishment.
10. In cases of emergency, illness, etc., a student may be rescheduled for another Saturday Detention with the permission of the Principal.

AFTER SCHOOL DETENTION

After school detention will meet from 3:15 pm to 4:15 pm Monday through Thursday. Students are responsible for study materials. Sleeping, drinking, gum, candy or refreshments are not permitted. Students that are late will not be allowed entrance and will be counted as absent. Students will work independently, no talking will be allowed. The supervising teacher will give students not working an assignment. Students may be given credit for work completed. Students assigned to ASD will be allowed to participate in activities the same day only after the completion of required time. A student that misses an assigned after school detention may receive a Saturday school and reassignment of the after school detention.

Drug Free School

The unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as a part of any school activity is prohibited. This policy is required by the 1989 amendments to the Drug Free Schools and Communities Act. P.L. 102-226, 103 St. 1928. (Cf. LDD).

Drug Free School - Student Conduct

As a condition of continued enrollment in the district, students shall abide by the terms of this policy.

Students shall not unlawfully be under the influence of, manufacture, distribute, dispense, possess or use illicit drugs, controlled substances, tobacco, or alcoholic beverages on school district property, or at any school

activity. Any student violating the terms of this policy shall be reported to the appropriate law enforcement officials, and be subject to the following sanctions:

1. First Offense. A first time violator shall be subject to the following sanctions:

a. A punishment of short-term suspension up to and including long term suspension or expulsion.

b. Suspension from all student activities for a period of not more than one (1) year.

c. A student placed on long-term suspension under this policy may be readmitted on a probationary status if the student agrees to complete a drug and alcohol rehabilitation program. (Name(s) of acceptable programs are on file with the board clerk.)

Second and Subsequent Offenses. A student who violates the terms of this policy for the second time, and any subsequent violations, shall be subject to the following sanctions:

a. A punishment up to and including expulsion from school.

b. Suspension from participation and attendance at all school activities.

c. Senate Bill 38

Students who are suspended or expelled under the terms of this policy will be afforded the due process rights contained in board policies and Kansas statutes, K.S.A. 72-8901, et seq. Nothing in this policy is intended to diminish the ability of the district to take other disciplinary action against the student in accordance with other policies governing student discipline. In the event a student agrees to enter into and complete a drug education or rehabilitation program, the cost of such program shall be the responsibility of the student and his or her parents. Drug and alcohol counseling and rehabilitation programs are available for students of the district.

Drug Testing

The Galena USD 499 School District and Board of Education, in an effort to protect the health and safety of its students from illegal and/or performance-enhancing drug abuse or injuries resulting from the use of drugs, thereby setting an example for all other students of Galena USD 499, has adopted the “Substance Abuse Policy” for student participation in extracurricular and/or co-curricular activities.

All students wanting to participate in extracurricular and/or co-curricular activities must sign the “Substance Abuse Policy Consent Form”, agree to abide by the standards, rules, and regulations set forth in the “Galena USD 499 Substance Abuse Policy.,” and return it to the high school or middle school office within one week of the beginning of school and/or before participating in any meetings, practices, performances, and/or competitions whichever comes first.

A list of available programs along with names and addresses of contact persons for the program is on file with the board clerk. Parents or students should contact the directors of the programs to determine the cost and length of the program.

Transportation Policy

The following regulations pertaining to bus transportation and pupil behavior have been adopted by the board of education of Galena Unified School District No. 499:

Instructions to Pupils and Drivers

1. The driver is in charge of the pupils on the bus. Pupils must obey the driver promptly and cheerfully. Pupils refusing to obey the bus driver will be referred to the building principal for disciplinary action.
2. The driver may assign a seat to each student; each student must be provided a seat. Students in less desirable seats may move to a second assigned seat for added comfort after the passenger load is lightened if permission is first obtained from the driver and if the bus is not in motion. Students must remain seated on the bus except when boarding or exiting. The driver may change assigned seats at his discretion.
3. Pupils must be on time; the bus cannot wait for those who are tardy. Pupils must walk on far left side of road facing traffic when going to bus stop.
4. Pupils must never stand in the roadway while waiting for the bus. All pupils must wait for the bus off the traveled portion of the road. Students should wait in an orderly manner and never push a fellow student.
5. Unnecessary conversation with the driver is prohibited. Do not talk loud or distract the driver's attention. Remember your safety is in his hands.
6. Outside of ordinary conversation, classroom conduct is to be observed.
7. Pupils must not throw waste paper or other rubbish on the floor of the bus. Help keep your bus clean and sanitary at all times.
8. Pupils must not at any time extend arms or heads out of bus windows.
9. Pupils must not try to get on or off the bus or move about within the bus while it is in motion.
10. When leaving bus, pupils must observe directions of driver. If you cross the road, do so in front of the bus after making sure highway is clear.
11. Any damage to the bus is to be reported at once to the driver.
12. STUDENTS RIDING A BUS DURING STORMY SEASON ARE ADVISED TO LISTEN TO THEIR HOME RADIO FOR STORM WARNINGS AND NOT ATTEMPT TO REACH SCHOOL WHEN SO FOREWARNED.

FOOTNOTE: Parents are advised that bus transportation is limited to pupils residing on regular bus routes. Priority for seating will be given to pupils residing the longest distance from the attendance center. Therefore, in cold weather it may become necessary for parents residing in some parts of the city limits to make other provisions for transportation. In other words, the buses may transport only the number of pupils that can be properly seated.

The district will transport kindergarten children if the children meet the same criteria as other students who are transported.

Guidelines For Extracurricular Trips

1. Any student riding a bus to and from the activity is subject to the rules and regulations of the school.
2. If any student's behavior is detrimental to the safety of the bus, parents will be notified, and he/she may not be allowed to ride the bus again.
3. Any student who rides a bus to a school-sponsored event **MUST** ride the bus on their return trip. Exceptions to this are a parent signing the student out or authorization by the administration.
4. Students will not be allowed to drive their own cars to school sponsored events. Exceptions to this may only be made by the administration.

Driving Privileges to Columbus Vo-Tech School

It is the recommendation of the Galena USD 499 School System that all students enrolled in vocational studies at the Columbus Vocational School be transported to and from that facility on school provided transportation. This recommendation is based on the concerns for both safety and timely attendance of students enrolled in that program.

At the same time we recognize the desire and in some cases, the need by students and their parents for them to drive. Parents and students choosing this option should understand that it is a privilege being granted by the board of education and that it can be revoked if the privilege is abused. Returning to the GHS campus late and report of reckless or careless driving would, for example, be cause to lose the privilege. Please fill out a driving application from the high school office before you begin driving.

Cell Phones Policy

The use of cell phones and other electric devices may not be a distraction to the educational process. The list of consequences of violating this policy is listed under the discipline grid.

Galena Dress Code

No form of dress will be permitted which distracts from the educational process of the school or adversely affects health and safety of students. All clothing must be in good taste and worn the way it was designed to be worn. Appropriate personal grooming is conducive to a desired learning environment. Any practice judged distracting or disruptive will be dealt with on an individual basis. Examples of inappropriate dress include:

1. Clothing, belts, jewelry, articles of clothing or accessories that advertise or display any type of alcoholic beverage, drugs, tobacco, improper language, sex, vulgarity, or double-meaning slogans. (examples are: hooters t-shirts, playboy bunny emblem on various items.
2. Clothing, worn as outer garments, that does not cover the legs down to their fingertips. First violation will result in a warning and/or the student may be required to change clothes. Second violation will result in loss of privilege to wear shorts.
3. Mesh or any form of see through clothing.
4. Clothing that exposes a bare midriff .
5. Clothing designed with a narrow or strapless shoulder of less than (2) two inches.
6. Undergarments worn as outer garments. (Traditional undergarments designed to be worn as outer garments will not be permitted, i.e. men's boxer shorts.)
7. Clothes that are excessively tight and excessively loose.
8. Clothes that are torn or cut above the fingertips.
9. Hats and other forms of head coverings cannot be worn inside the building. All hats, etc. should be left in lockers.
10. Bare feet (safety regulations require that all students wear shoes.)
11. Sunglasses may not be worn in the building.
12. Except for earrings, all other piercings may only be worn with a small stud.
13. Hair colors and styles must not distract from the learning environment.
14. No PJ's or House shoes may be worn to school.

Any decision concerning questionable dress will be made by the administration.

Note

Consequences for violating the dress code will be determined by following the category #1 of the students' disciplinary grid. The student will receive an absence for any class missed while obtaining a change of clothes.

Seminar Period Rules

1. Each student will report to his/her seminar classroom. All students will read for the first 15 minutes of class. There will be NO PASSING during this time.
2. Depending on the grade level, the rest of the seminar will be a structured learning environment to foster student achievement and school improvement.

Galena Attendance Policy

We are pleased to have your child in the Galena Schools. We have a very talented and dedicated staff that are committed to helping all of our students be successful in every area of their school career. We believe that the students are developing important skills and habits that will enable them to be successful not only in school, but throughout their entire lives. We know you are also committed to helping your child be successful in school, and attending regularly is the first step.

We are not asking you to send your children to school when they are too ill to be here, such as a high fever, but if it is possible to be here on days when they may not be feeling their best, we would like to have them here. Please let your children know they can go to the office if they are not feeling well. The school nurse can check on them and help in any way. We want to do whatever is necessary to make sure they have a good day at school!

The Student Services Coordinator will help you and your child comply with the Kansas Compulsory School Attendance Law and ensure that, for the safety of your child, both you and the school will know their whereabouts during the school day.

Kansas Compulsory School Attendance Law

Every parent or person acting as parent in the state of Kansas, who has control over or charge of any child who has reached the age of seven years and is under the age of 18 years, shall require such child to attend continuously each school year.

Any child who is under the age of seven years, but who is enrolled in school, is subject to the compulsory attendance requirements.

Whenever a child is required by law to attend school and is enrolled in school, and the child is inexcusably absent there-from on either three consecutive school days or five or more school days in any semester, the child shall be considered to be not attending school as required by law.

Each board of education shall designate one or more employees who shall report to the secretary of social and rehabilitation services, or a designee thereof, all cases of children who are less than 13 years of age and are not attending school as required by law, and to the appropriate county or district attorney, or a designee thereof, all cases of children who are 13 or more years of age but less than 18 years of age and are not attending school as required by law.

A child is inexcusably absent from school if the child is absent there-from all or a significant part of a school day without a valid excuse acceptable to the school employee designated by the board of education to have responsibility for the school attendance of such child.

ABSENCES

1. On the day the student is absent, a parent/guardian needs to call the school secretary or school administrator, Galena High School- 783-4499 Ext. 1400, Galena Middle School 783-4499 Ext. 1300 by 8:15 a.m. and state the reason for the absence.
2. Upon returning to school, if the parent or guardian has been in contact with the high school office, the student will not be required to bring a note from home. He or she will just secure an admit slip and report to class.
3. If the office has not been notified by you that your child will be absent that day, for the safety of your child, the office will attempt to contact you by phone, a visit to your house, or by contacting one of your emergency references listed on the enrollment form. We must have a Parent Documented Reason when a student is absent, so if we are unable to make contact with you, please send a note to the office the next day when your child returns. If your child returns to school without a parent documented reason for the absence, the absence will be recorded as truant, after having missed 1 block of class.
4. Students must never leave campus without first clearing through the office. If the student does not secure a pass out slip, the student may receive a zero for that day's class work and face truancy consequences. This does not apply to students on a field trip or other school activities under the supervision of a

teacher. The teacher will have already submitted a list of names at least two days prior to the field trip to the office.

5. The principal reserves the right to make a determination if the absence is excused or unexcused, and if the student will be allowed to make-up worked missed in after school detention and/or Saturday school for credit.
6. Suspensions: When a student is suspended for 10 days or less, that student may make up work for a maximum of 60% credit for those missing days when returning to school.

Organized Skip Days from both the parent/legal guardian and the school.

1. Truancy is defined as being absent from school without permission
2. USD 499 does not sanction organized skip days. Choosing to participate in an organized skip day will result not only in truancy consequences but an additional day of ISS. An additional day of ISS will be assigned at the end of the school year for each day missed. Underclassmen will serve these days after other students have been dismissed for the summer. Seniors will serve these days during senior privilege week. Seniors will be allowed to graduate but the diploma will be withheld until the time is made up.

Loss of Credit

The Board of Education, administration, and faculty members of Galena High School feel that students must share in the responsibility of their own education. Students must satisfy two criteria to be awarded credit for meeting graduation requirements:

1. Students must maintain a passing grade as established by the classroom teacher.
2. Students must meet the attendance policy requirements by the USD 499 Board of Education.

Attendance Policy Requirements

In addition to the specific academic requirements in each class, an attendance rate of 90% must be maintained. Parents, 90% attendance may be achieved by missing no more than five (5) times from each block per semester. Upon reaching the following limits in a semester the following will occur:

Galena Schools

1. Third (3) absence-Parent will receive a letter and/or phone call.
2. Sixth (6) absence-Parents will receive a registered letter notifying them of loss of credit. The county attorney may be contacted. Students/Parents may request a hearing with the faculty review committee.

Vo-Tech, The Learning Center, and LCS Absences:

1. Sixth (6) absence-Parent will receive a letter or phone call.
2. Seventh (7) Resource Attendance Officer will contact parent.
3. Tenth (10) absence-Parent will receive a letter notifying them of potential loss of credit.
2. Eleventh (11) absence-Parents will receive a registered letter notifying them of loss of credit. The county attorney may be contacted.

Students will receive the grade earned for a course work upon completion of the first criteria. When the student has met both criteria, credit will be received and recorded along with their grade on their official high school transcript to be applied toward meeting graduation requirements.

Transfer grades will be evaluated and credits awarded based on 1/2-unit increments. Students failing a semester of a required course must repeat that semester before graduation from Galena High School.

Any student who has not attended 90% of the semester will be subject to a review committee. The Review Committee will take into consideration the following:

1. School sponsored trips, events, and activities, as in the regular policy, will not be counted as days absent.
2. Illness of a student, which required hospitalization or home confinement, providing a physician verifies the illness and subsequent hospitalization or home confinement, can be made up.

3. Appointment with health care providers, funeral-death in family and family emergencies, if possible, prior arrangements should be made as soon as the student knows that such absences will be necessary.
4. The following absences will NOT be counted against a student's attendance: Subpoenaed court appearances or hospitalization.

Faculty Review Committee

If a student should miss the maximum number of days for reasons of extenuating circumstances that he/she feels are beyond their control, the student and his/her parents may request (in writing) a hearing with the faculty review committee for consideration of waiver in a particular case. The committee will consist of up to five (5) high school faculty members. The committee has the following make-up; either the principal or the assistant principal, the high school counselor, and other staff members. The District Attendance Officer is also considered an ex-officio member.

The high school assistant principal must receive request for a hearing within ten (10) days of receipt of the registered letter. Failure to do so will in effect waive the student's right to a hearing. All hearings will take place at the end of each semester.

Tardiness

If a student is not in the classroom when the tardy bell rings he/she will be considered tardy. The teacher will admit the student after recording the tardy. Punishments for excessive tardies will be outlined in the discipline grid; excessive tardiness will be reported to Social Rehabilitation Services (SRS) and the County Attorney.

Make-up Policy

Procedure for students to make-up classroom work missed due to an excused absence.

1. Regular attendance is vital for a successful school experience. Punctual and regular attendance is necessary in a well-ordered school, both for proper training of the student and to avoid disruption of classroom procedure.
2. If a student must be absent, upon returning to school he/she will be given an equal number of school days to make-up classroom work missed.
3. If a student fails to make up the missed work within the allotted time, he/she will receive a zero for classroom work missed.
4. It is the student's responsibility to go to the teacher of the class in question and obtain, complete, and turn in any and all make-up classroom work.
5. If a student is absent on a school related trip, the student must obtain the assignment before leaving on the trip and the work will be due as assigned.

STUDENT HEALTH

Section 2, K.S.A. 72-511 is hereby amended to read as follows: 72-5211a.

(a) The school board of every school affected by this act may exclude from school attendance, or by policy adopted by any such school board authorized any certificated employee or committee of certificated employees to exclude from school attendance, any pupil who has not complied with the requirements of K.S.A. 72-5209. A pupil shall be subject to exclusion from school attendance under this section until such time as the pupil shall have complied with the requirements of K.S.A. 72-5209, as amended.

The policy shall include provisions for written notice to be given to the parent or guardian of the involved pupil. The notice shall:

1. Indicate the reason for the exclusion from school attendance.
2. State that the pupil shall continue to be excluded until the pupil has complied with the requirements of K.S.A. 72-5209, and

3. Inform the parent or guardian upon request therefore.

(b) The provisions of K.S.A. 72-111 do not apply to any pupil while subject to exclusion from school attendance under the provisions of this section.

Immunizations

All students are to have immunization records on file. These records must be complete. If not, students will be excluded from school as regulated and established by the state of Kansas. If your child's immunizations are not up to date this should be taken care of as soon as possible. If your child has received additional shots during the summer, please send this information to the office.

Emergency Information

Any special physical problems that exist for a student should be reported to the school. Emergency procedure sheets will be provided to parents, to be filled out on the day of enrollment. This information identifies what is to be done for your child in case of injury or illness. A phone number must be listed so a parent can be reached in case of emergency. The phone number may be a work phone, a neighbor or friends phone, etc., if you do not have a phone.

Medication Policy

A form for the parent requesting the school's cooperation in the supervision of medication must be filled out before school personnel will be able to dispense medication. Any medication that is brought to the school must be in the original container with the original label. Please notify the school of any changes with your child's prescription immediately. Note: This policy includes inhalers for asthma or ailments.

Health Concerns

In order to maintain maximum health protection to other students, as well as the teachers, we ask that you keep your child home if they have an elevated temperature. Any student with a communicable disease must stay at home during the duration of their illness. Students with head lice may be sent home. Students will be permitted to return to school only after they have been treated with a medicated shampoo and are totally nit free (note: this could be the same day in some cases). A parent must be present at school when the student is rechecked for head lice. Students who accumulate more than one day of absences because of head lice or nits, will be considered unexcused.

EIGHTH GRADE TRIP

Eighth grade students who wish to participate on the 8th Grade Trip are required to either participate in the fund raiser or pay their own way. Eligibility to participate will be based on academic standards, attendance, and behavior; therefore, all students must earn their way. No eighth grader is extended the right to attend. Students who exhibit any of the following during their eighth grade year will be subject to losing his/her eligibility to join their classmates on the eighth trip:

1. Students who have been suspended from school (OSS) more than once (one incident) in 8th grade year
2. Students who fail one or more core classes on a yearly basis or 2 or more core classes on a semester basis
3. Students who have less than satisfactory attendance in 8th grade year
4. Students who receive as many as 25 demerits (discipline points) during their 8th grade year

Note: Any student that has lost their trip will not be required to attend school on the day of the trip. Students are not to come to the location of the trip.

Rest Room Passes

Limitations on time allowed and privilege to go to the restroom will be at the teacher's discretion. The school emphasizes time on task and expects students to remain in the classroom during class time. Visits to the restroom and other personal business should be taken care of between classes. Teachers will allow exceptions at their discretion. All students must have a teacher issued pass to leave the classroom.

Student Lockers

School officials shall have the right to search students' lockers on suspicion of a threat to health and safety of other students. This right becomes a duty when suspicion arises that something of an illegal nature may be hidden there.

Combinations for lockers are not to be shared. Locks are not to be tricked for security reasons. Do not share. Responsibility for the maintenance of the locker rests with the student.

Locker malfunctions are to be reported immediately.

Points To Remember In The Library

The library is the center of learning for the school. Students are expected to follow all library rules and respect the materials available for their use. Procedures for visiting the library are:

1. Students should enter the library in a quiet and respectful manner. The librarian will check with students to see if a teacher has signed their planner. Students must have a planner signed by a teacher to be in the library.
2. Reference books are to be used in the library. They can be checked out after school and must be returned before school starts the next day.
Magazines can be read in the library, but they must be returned to the stand. Magazines used for research can be checked out for one day unless special arrangements are made. Readers' Guide is available.
3. Books checked out for a two-week period can be renewed after that. The librarian will collect overdue books.
Students with overdue library material will not be allowed to check out additional materials until the overdue ones are turned in.
Students with overdue library materials will receive a 30-minute detention (to be served in the library) for each 30 days overdue until the materials are returned. Grade cards will also be held until such time as the materials are returned.
4. Students should get what they need as quickly and as quietly as possible and then return to their class or a table in the library. Students being disruptive in the library will be required to return immediately to their class and may lose library privileges for an extended period of time.
4. Books being returned should be placed on the desk. The person whose name is in the computer last is responsible for the book. Proper care should be taken of all library material.
5. Students need to be productive while in the library. Students will not be allowed to congregate and visit in the library.

Gym/Playing Fields/Weight Room

Students may not be in the gym, on the playing fields, or the weight room without supervision.

Students In Building

Students may not be in the building before 7:20 a.m. except those riding the early buses or eating in the cafeteria. All students are to use the office door only, go directly to the commons and remain there.

Food And Drink Items

These are confined to the commons and cafeteria only. Please do not take food to your locker or your classroom. All food/drink brought out of the commons will be confiscated.

School Lunch Program

Lunch payments should be made in advance or paid at the time the meal is purchased. If lunches must be charged, we ask that you do not charge more than \$10.00. At this point, students will need to pay for meals or bring a sack lunch. Periodic reminders of charges owed will be sent home.

Closed Campus

Once students arrive on campus they will be required to stay until dismissal time at 3:05 pm, unless parents /guardians check them out. Areas where students are allowed to be during lunch will be designated.

****Sec. PP 173 B.O.E. Policy (Prom and Sr. Trip)**

A student must be a junior or Senior at the beginning of the second semester to attend prom, freshmen and sophomores may attend if a qualifying Jr. or Sr. invites them. All other people must be approved by the Principal and/or Assistant Principal.

A student must be a senior in order to go on the Senior Trip but may only participate in one Senior Trip. Students are allowed a maximum of one senior trip, one prom as a junior, and one prom as a senior.

Kansas Board of Regents Pre-college Curriculum

Class Ranking

Students Transferring from Non-Accredited Schools

Students' grades from non-accredited schools will not be included when calculating their grade point averages. These students will also not be included in the class ranks because standards of non-accredited schools cannot be accurately compared to the standards of Galena High School. Students will be allowed to qualify for the Honors Curriculum if they have taken the appropriate classes and passed them. The administration will write a letter explaining the circumstances, so that students for which this applies can present this information to post secondary schools who require class rank and grade point average as part of their scholarship process.

*The valedictorian and salutatorian of each graduating class must complete the honors curriculum.

*All honors graduates will graduate under the honors curriculum guidelines.

*Both college bound and vocationally bound students are included in this new standard.

*Students must attend Galena High School during their last four semesters of high school to qualify for valedictorian and salutatorian.

*Valedictorian, Salutatorian, and Honors Graduates will be calculated during the fourth quarter at the time that progress reports are issued.

Honor Roll

Galena High School will recognize and publish honor rolls the first and third quarters and each semester. The two types of honor rolls and their requirements are:

Honor Roll of Excellence.....3.67 - 4.00 GPA

Superior Honor Roll.....3.00 - 3.66 GPA

*Any grade of 'F' will disqualify a student from being on either honor roll.

Final Examinations Testing Procedure For High School

Grades will be averaged as follows:

1. 9-week daily work grade
2. 9-week averages of all grades
3. 1 and 2 will determine grade for the first quarter
4. 2nd 9-week daily work grade
5. 2nd 9-week average of all grades
6. 4 and 5 will determine the grade for the 2nd quarter
7. The percentage of score earned for the first (1) and second (2) nine week grading period will be averaged to determine the semester grade.
8. The daily work grades and daily test grades will represent 90% and the 18-week test grades will represent 10% in determining the semester grade.

This procedure shall be used for both semesters of the school year.

Second Semester Exemption Policy

Students will be exempt from their second semester finals if they meet the following requirements:

A –may have 2 Absences in any one class

B –may have 1 Absence in any one class

C- may have 0 Absences in any one class

D or F- must take final

On the third absence from any one (1) class the student must take all finals.

If a student is absent from four (4) separate blocks (classes) on different days, this will be considered one (1) absence.

The students' lowest grade will be used to determine which category that will be used.

(If student has 7 A's and one B, that student may have only one absence to be exempt).

There are NO EXCEPTIONS to the absence policy. There are no excused or unexcused absences. ALL ABSENCES WILL COUNT.

Test Taking Procedure

Comprehensive semester tests will be given over a 2-3 day period during the 18th week of each grading period.

Summer/Virtual School

The Board of Education will permit the transfer of a maximum of three units of credit from an accredited high school offering summer or evening courses, or correspondence course credit from State Colleges or Universities toward meeting the 28 units required for graduation from Galena High School.

A high school diploma will be awarded to the student involved following board approval on the completion and recording of all required subjects on the official high school transcript.

Care of Books

The cost of textbooks is increasing, and it is each student's responsibility to take care of his or her own books. Even if someone else tears your book up, YOU are responsible for it.

Avoid putting pencils or pens in your books; it will only break the book's spine.

DO NOT throw your books around or shove them into your locker carelessly.

DO NOT write in them or mark them up in any way.

Students may be charged for lost, damaged or stolen books.

Student Parking

A parking area has been designated for High School students and students driving cars; all students shall park in designated areas west of the PAC parking lot.

1. Students will park inside lines.
2. Any student's car parked in a no parking zone will be towed away.
4. Speed limit in the parking lot is 10MPH - Reckless driving may mean loss of driving on school property.
5. Student vehicles are not allowed behind the high school at any time.

Galena High School Extra-Curricular Activities

1. National Honor Society (NHS)
2. Fellowship of Christian Athletics (FCA)
3. Student Council (STUCO)
4. Family Career and Community Leaders of America (FCCLA)
5. Future Business Leaders of America (FBLA)
6. Cheerleaders
7. Math League, Math Day, and Math Relays
8. School Play
9. Scholars Bowl
10. Dance Team
11. Performing Arts Club
12. Youth Friends
13. Letterman Club
14. Spanish Club

Selection Process for Prom Queen and King

1. Names of all senior girls and boys are placed on the ballot. Any senior that has previously won homecoming is not eligible for prom king and queen. Any senior that is not attending prom is not listed on the ballot.
2. The ballots are passed out to each member of the senior class.
3. The senior class members vote for 3 girls and 3 boys by marking the ballots as directed.
4. The girl and boy receiving the most votes are elected Prom Queen and King.
5. The Prom Queen and King are announced at Promenade.
6. The procedure is conducted by the junior class sponsor.

Galena High School Selection of Football and Basketball Homecoming Queen & King

There will be one boy and one girl homecoming candidate from each grade. Each grade will select their own candidates. Candidates can only be nominated once per year. When a candidate is crowned King or Queen, he or she cannot be nominated again for any sport. The whole school will vote on the final 8 candidates.

Foreign Exchange Students

We encourage foreign exchange students to participate in all activities. However, foreign exchange students will not be eligible to compete for Valedictorian, Salutatorian, Homecoming Queen, or Prom Queen.

Extracurricular Activity Eligibility

Before a student athlete is permitted to report for practice in an extracurricular activity, he/she must have a physical examination or health review documented, a completed permission form furnished by the school, and a signed "Substance Abuse Consent Form" agreeing to abide by the rules of the Substance Abuse Policy. These forms require the student gain permission of a parent or guardian.

Students who are engaged in extracurricular activities must be in school the day of the activity or be excused by the principal if they are to take part in that activity or event. A student must have passed five classes of the previous semester to be eligible to participate in athletics during the current semester. Exception: In case of illness in the family, a family emergency, a funeral, or an appointment with health care provider, the student will be eligible to participate in the activity if that student notifies the principal in advance. This rule also includes practice.

Insurance and Injuries

Galena USD #499 provides a SUPPLEMENTARY insurance for all of our students. However, this is a backup system to kick in only when the insurance of the parent or guardian will not provide coverage. Students that do not have insurance or the insurance company of the student will not pay are then helped with medical bills if, and only if, the correct documentation has been done. If you are injured in an activity or during a class period your teacher must obtain the proper forms from the office and copies of these must be filled out entirely and placed on file. The originals are then taken with the student to the health care provider. Once treatment has been given, the documents must be returned to the office to be returned to the school's insurance company. Failure to follow the above procedure may result in the insurance company refusing to pay any of the medical bills!

Who is Covered-A student is covered while practicing for, competing in, or traveling to and from as representative of the school and under the direct supervision of a full time school employee, in any interschool activities conducted under the regulations and jurisdiction of the school and the state high school association.

Security Clause

Visitors are asked to report to the principal's office upon entering the building. When exiting the building, please be sure the door is latched behind you. Your cooperation is needed and appreciated.

Thanks!

Graduating Early

Students wishing to have the opportunity to graduate at semester of their senior year must:

- Inform the High School Principal of their intent in writing, using the provided early graduation form, prior to May 1st of their junior year.
- Provide the school with a plan of action for the second semester including academic and employment plans. This will need to be turned in prior to May 1st of their junior year.
- Schedule a meeting with the High School Principal that will include both the student and parents to discuss the plan of action and the student responsibility regarding early graduation prior to the last day of school of their junior year.
- Enroll in Second Semester Senior English and Government through the Cornerstone Learning Center either during the summer session or in the evening during the first semester.
- The student and their family will incur the cost of the class which currently is \$100 per .5 credit.
- If the student does not meet the requirements during the 1st semester of their senior year to allow for early graduation they will be placed in 2nd semester English IV and 2nd semester Government for the second semester and will forfeit the expense of the credits attempted at the Cornerstone Learning Center.
- Students who choose to graduate early will forfeit the opportunity to attend prom and the senior trip. These students may attend prom only if they are invited by a current GHS junior or senior. They will be considered an outside guest and must be signed up and approved by the GHS administration. They must also pay for their prom ticket.
- Students who choose to graduate early will forfeit all opportunities to earn academic recognition such as graduating with honors as well as their final class ranking.

Galena High School Work Study Program

The work study program will be available to senior students in order to allow them to work part time jobs and maintain academic requirements. Students wishing to participate in this program must be on

track with graduation requirements and credits as listed in the student handbook. Students can pick up an application for the work study program in the high school office.

Galena Unified Schools 499 1:1 iPad Initiative

Care and Maintenance of iPad

- The iPad must remain in a protective case/cover at all times. The student will receive an automatic detention if the iPad is not in a protective cover. (Special circumstances will be taken into consideration)

School Expectations

- If an iPad is in for repair, depending on the cause of the damage and duration of repair, a loaner will be provided by the school until the device has been repaired.

Personal Data, Files, Information

- Apps deployed using "Redeemable Codes" that are District paid will become property of the student upon installation. The personal model of deployment requires the District to "gift" ownership of the paid apps when using "Redeemable Codes." The student will maintain ownership of the app, even post graduation. In the event of damage to the student iPad, the apps can be restored via iTunes. Some apps may be distributed using a "Managed Distribution." When apps are distributed using a "Managed Distribution" the apps will remain property of the District. The codes for these apps can be reclaimed and redistributed by the District.

Damage, Repair, Missing and Stolen

- If an iPad is damaged the student will be responsible for the fees associated with repair. Detailed repair records will be kept for each device. The fees for repair will be based on the following incident schedule:
 - 1st incident: \$50.00
 - 2nd incident: \$100.00
 - 3rd incident: Full repair cost

Student usage will be closely examined after the 2nd incident, which may result in temporary loss of access.

The student will not be able to take the iPad home until all repair fees have been paid. (No changes have been made to this section, but we will provide a stronger enforcement of the "no outside school use" of iPad for the 2014-2015 school year)

Student Grade K-8 Electronic Access Permission Form

Galena Unified School District 499

The Galena Unified School District 499 Board of Education is pleased to offer students and patrons of the District access to the District's computer network for electronic mail and web access. To gain access to e-mail and the Internet, all students under the age of 18 must obtain parental permission and must sign and return this form to the building's office.

Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. All internet access in District is filtered in accordance to state and federal guidelines and we believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards their children should follow when using media and information sources. To that end, the Galena Unified School District 499 supports and respects each family's right to decide whether or not to apply for access for their child.

Internet and E-Mail Rules

Students are responsible for appropriate online behavior just as they are responsible for appropriate behavior in the classroom or hallways. Communications online are often public in nature. General school rules for behavior and communications apply.

The network is provided for students to conduct research and communicate with others. Access to the network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. Access is a privilege - not a right. Access entails responsibility.

It is presumed that users will comply with district standards and will honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring, or controlling the communications of individuals utilizing the network.

Users should not expect that files stored on district servers will always be private. Within reason, freedom of speech and access to information will be honored. During school, teachers will guide students toward appropriate material. The following are not permitted:

- Sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, bullying, insulting or attacking others
- Vandalism or sabotage of computers, computer systems or computer networks
- Violating copyright laws
- Using another's password
- Trespassing in another's folders, work or files
- Intentionally wasting limited resources
- Employing the network for commercial purposes.

Violations may result in the loss of access as well as other disciplinary or legal action.

- As a user of the Galena Unified School District 499 technology resources, I hereby agree to comply with the above stated rules - communicating over the network in a reliable fashion while honoring all relevant laws and restrictions.

Student Signature _____

- As the parent or legal guardian of the minor student signing above, I grant permission for my son or daughter to access the networked computer services such as electronic mail and the Internet. I understand that individuals and families may be held liable for violations. I understand that some material on the Internet may be objectionable, but I accept responsibility for guidance of Internet use - setting and conveying standards for my son or daughter to follow when selecting, sharing, or exploring information and media.

22. The District e-mail is not intended for personal use. Any and all transaction conducted via the District's Domain name can be subjected to review for a legal inquiry.
23. In the event of misuse of e-mail for any reason, the District reserves the right to lock the user's account until the issue of misuse has been resolved.

Social Media: Any and all social media use by the District's students must be used to promote the exchange of information to further education and research and is consistent with the mission of Galena USD 499. Due to liability factors, the District does not encourage the use of social media for personal communication between faculty and staff.

Bring Your Own Device (BYOD): The Galena USD 499 School District feels that it is essential that the District provides any and all necessary technology to support the mission of the District. Due to ever present on-line security issues, viruses, malware, and a wide array of software licensing and compatibility issues we as a District do not encourage students to bring personal technology devices to school for prolonged use on the District's primary network. In the event of special circumstances in which a student needs access the District's primary network, please consult with the District Technology Director or District Network Administrator. Outside entities that require access to the internet are free to use the District's Guest Network.

District Software Compliance: The Director of Technology and Network Administrator will be responsible for purchasing, allocating, and installing all District owned software.

Privately Owned Software: Such software owned by individuals in the district may be brought into the district under the following conditions:

- a. The user can prove ownership.
- b. The user adheres to the licensing agreement for that software.
- c. The user has registered software with the software company.
- d. The user has registered the software with the District Technology Staff and has received permission to use the software on districts' equipment.

Copyrighted Software: Users of software shall abide by the software licensing agreement provided by the software publishers. Without notice, any equipment on the District's property may be audited for compliance. Software piracy, the illegal use or possession of copyrighted software, is strictly prohibited.

Property Rights: The district has the right to specify who uses its equipment and the information contained therein, under what circumstances, and to what purpose. Equipment purchased by the district belongs solely to the district and neither employees, volunteers, nor students in the district have ownership rights to any equipment loaned to them by the district. Equipment is available on a “check out” basis over breaks and weekends. The appropriate equipment loan form must be approved prior to taking equipment home.

Data Security: The district assumes no responsibility or liability if documents stored on district equipment are lost or damaged.

False Entry/Alteration: No student, volunteer, or district employee shall make any false entry or alteration of any document, either paper or electronic used in connection with the operation of any school within the district nor shall any student open or alter official school documents or private documents, either paper or electronic.

Enforcements: The district shall rigorously uphold laws pertaining to the use of technological equipment and the information contained on them and/or generated by its use. Anyone found to be violating such laws shall be subject to suit for civil damages as well as prosecuted by the district to the full extent of the law.

On-Line Services: Any abuse of on-line services such as pornography, illicit material, dangerous topics, or any material not congruent with the mission of Galena USD 499 will result in the loss of on-line privileges and may result in criminal prosecution.

Policy Administration: Interpretation, application, and modification of this Acceptable Use Policy is within the sole discretion of Galena USD 499. Any questions or issues regarding this policy should be directed to Galena USD 499 administration.
