## Labette Community College Classes for Fall 2017

Galena High School junior and senior students are given the opportunity to take college classes through Labette Community College while they are still in high school. Students are able to take these classes based on the following criteria: required individual (Reading, Math) scores on the ACT or Accuplacer placement test, teacher recommendation, attendance, grades, completed payment form, etc.

Each year, LCC offers most of our students what is called a Jump Start Scholarship. This scholarship pays for the tuition for the classes, but not the fees that are associated with them. Students are still responsible for paying these fees, which amount to \$46 for each credit hour. Students will earn 3 credit hours for each of the classes listed below, with the exception of Advanced Biology. This class lasts the entire school year, while each of the others only lasts one semester. There is an additional \$2 fee for students that are taking the English Comp I class.

Classes offered next year and their costs include:

### Fall

Government - \$138 – seniors only  
English Comp I - \$140 – seniors only  
College Algebra - \$138  
Computer Concepts - \$138  
American History to 1876 - \$138

## Semester Finals

The finals policy for second semester is:  
Students will be exempt from finals if they meet the following requirements:

A – may have 2 absences in any one class  
B – may have 1 absence in any one class  
C – may have 0 absences  
D or F – must take finals

The student's lowest grade will be used to determine which category will be used. (i.e. a student with 7 A's and 1 B must use the B criteria and is only allowed 1 absence in any one class)

For additional information about second semester finals, please contact the GHS office.
