Message from Nurse

DeAnn-The week of Valentine's Day is a great time to remember dental health!! We need to brush our teeth, at least 2x a day, for at least 2 minutes and we need to visit our dentist, at least 2x a year. And fluoride is important in our toothpaste, to keep our teeth strong! So go ahead and enjoy a Valentine's treat and then brush and floss those teeth, and don't forget your tongue! I enjoy seeing all the smiling faces!!

American Heart Association:

Due date for Fundraiser is February 21st. Please remember to download the American Heart Challenge.
