"Oh the weather outside is frightful" . . . "Weather Cancellation Procedure": School will not be dismissed because of storms that arise during the school day as long as it is feasible for students and teachers to remain at school safely. Parents are urged not to send their children to school when storm conditions exist or road conditions are such as to create a definite hazard. If adverse weather conditions exist before school begins, the building principals will consult with the superintendent of schools concerning dismissal of

school. School cancellation announcements will be broadcast on TV, radio, and through our automated call system of School Messenger.

Phone numbers are already in this system so you should receive a call or text message if we have the correct phone number. If you did not sign a sheet at enrollment giving us permission to send you text messages and you want to receive them, contact the Spring Grove Office and we will be happy to send you a form. Please keep us updated on phone number changes so that you will receive these calls and messages.

Remember to save those Box Tops to earn money for our school. Box Tops are counted on the 15th for each month.
