All About Mrs. Cannon

Education

I graduated from Galena High School in 2006. One of my favorite subjects growing up was Science, because it combined reading and math. I received my bachelor's degree in Education in 2010 from PSU, and have been teaching ever since. I obtained my master's degree in 2014 from Pittsburg State University.

Family Life

My husband, Ryan, and I have been married for 17 years. We have 3 children, Kyan, Keely, and Kylan. We also have a niece that's very special to us, Lillie Bug. We have an Aussie Doodle named Huckleberry, and a Husky name Sampson. We also have 4 black kittens; Insie, Stormy, Dobby, and Leonard, along with a ball Python named Ziggy.

Experience

I have been teaching elementary students for 16 years. I started off teaching in Joplin as a 3rd grade teacher for 2 years. I taught 4th grade in Baxter for 10 years. This is my 4th year teaching in Galena at Spring Grove.

Hobbies

I love to garden and read. The time I enjoy most is spending time with family. I am close with my parents and sisters. We enjoy walks, and spending time outside. My husband and dad are always good sports and will try to bring to life any thing we might dream up. My husband and I enjoy making home improvements to our house. We love getting to watch our children and niece play sports and following them to all their activities.

Guess Who?

?

When I was a child, I played a couple of instruments, including the piano. I spent hours playing with my Cabbage Patch dolls and Barbie dolls. I love being outside the most. My mom loved dressing me up because I was the only girl in the family, but I really just wanted to ride my bike and climb trees.

I loved to play "teacher/school," when I was a little girl. I, also, loved playing with my Barbies. My favorite shows were Barney, Dora the Explorer, and Clifford!

?

I loved playing with my Cabbage Patch Dolls. My favorite cartoons were He-Man and The Smurfs!

When I was a kid, I loved to watch Bear in the Big Blue House, and I loved playing with my Polly Pockets!
