Lost and Found

Just a reminder to please make sure you're writing your child's name in their jackets and coats. We've had an abundance of items that weren't claimed this year. At the end of every month, we wash items and put them in the donation room. This month alone, we washed over forty jackets that had no names and were never claimed. We do our best to make sure personal belongings make it back home. If you're missing something, please call the office, or send me an email to my school email address. - Ms. Kristi
