Welcome, Tarah Tygart!

2nd Grade Teacher
at Spring Grove

We're glad you're here!

My name is Tarah Tygart, and I'm the new 2nd grade teacher at Spring Grove! I graduated from Galena High School in 2015. From there, I went to Pittsburg State University to earn a degree in education, but my priorities switched when I started my family. I took a pause on my career to raise my three beautiful babies, and then I went on to Wichita State University to continue my education. I worked as a para educator at Riverton Middle School for about 4 years, until I earned my degree from Wichita State in 2024.

I love to read in my free time, but my favorite thing about life is being a mom.

Teaching in the district and community where I grew up is something I'm very proud of. A lot of the teachers here have helped shape who I am today, and I'm thrilled to be able to do the same with the kiddos in our community. Go Bulldogs!!
