

Dear Parent or Guardian:

Our district is required to provide information that according to the Every Student Succeeds Act of 2015 (ESSA), you have the right to know and upon your request, our district is required to provide to you in a timely manner, the following information:

Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.

Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.

Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that parents may request, a building receiving Title I.A funds must provide to each individual parent:

Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.

Access to district and building report cards for parents and community members are available on the district website under the Central Office tab.

Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by, a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Policies and procedures are in place to remove barriers for homeless students to enroll. Educational rights for homeless students are available at each school or the Central Office.
