REMINDERS:

MASKS: Please make sure your child has a mask when they come to school. Masks are required by all those entering our building until further notice. To the person who donated masks (you know who you are), we thank you for your thoughtfulness.

WATER BOTTLES: We are unable to use our water fountains due to the risk of Covid 19 so our students need to bring a water bottle to school. We do have bottle filling stations available to fill the bottles.

NAMES: Please put your child's name on all their personal items that they bring to school. We can't return it to the owner if there isn't a name.
