FALL ENROLLMENT: The Enrollment Portal for the 2022-2023 school year will be available on July 1st. ALL students must be enrolled every year even if they have already been enrolled the previous school year. To enroll, go to the school website: www.usd499.org, and look for the following links: students new to the District will need to look for "New Student Registration". Returning students will be enrolled through the Parent Portal. Please make sure we have a working email address so that you will receive the enrollment instructions. You will go to Quicklinks and scroll down to PowerSchool Parent and sign-in. Letters are being sent home with students whose parents have not already created an account. These letters contain all the information you will need for creating a Parent Portal account.
