STUDIO 951 PHOTOGRAPHY

PICTURE
DAY
IS HERE

Studio 951 is coming to your school soon for picture day! We strive on giving our customers great quality school portraits at a very affordable prices. We offer several package options as well as many add-on choices that are sure to meet the needs of every student and family.

TIPS TO ACHIEVE A GREAT PHOTO:

Wear clean and pressed clothes. Dark, solid shirt colors have the best photo reproduction. Check all clothing for tears, missing buttons, wrinkled colors and other damage. Avoid clashing colors. Haircuts should be made no sooner than 1 week prior to picture day, in order to look natural. Abstain from sunbathing and wearing hats prior to picture day to avoid skin-tone discrepancies. Remember that hairstyles are unique to each child, we are not able to retouch your child's hair.

Our photographers always encourage the student to smile! Ultimately, it is the portraits and/or student choice. Retakes WILL NOT be taken if a student CHOOSES not to smile. Please discuss before picture day if smiling is or is not preferred. Please note, if your child's not wearing shirt (or glasses), there is a chance that a reflection may occur on or near the chance to picture. Whether we have photo photographers or not, if you want to have your picture retaken for any other reason other than photographer error, you will need to repurchase your package.
